COMMUNITY

Official partnership with Got Game Fast Pitch and ASA to provide chapels and resources for all athletes and coaches participating in tournaments from March – November. Most of these occur at Burlington Springwood Park, but also include Summerfield and Carolyn Allen Parks in Guilford County. **Over 5,000** (conservative estimate) female athletes/coaches/parents/fans have attended these over the past 2 ½ seasons. Every team present receives copies of FCA's softball themed Bible and devotional resources. **Over 700 copies** of God's word have been handed out for no charge, and literally hundreds more have been ordered by teams who attended these chapels.
